

STANDING ORDER MANDATE

A Standing Order (sometimes known as a "Standing Instruction" or "Banker's Order") is an instruction which you give to your bank to pay a set amount at regular intervals to another account. A Standing Order is distinct from a Direct Debit. A Standing Order sends payments arranged by the Payer (you). It can only be set up and modified by the Payer. This differs from a Direct Debit which is specified and collected by the Payee (the person who receives the payment).

If you would like to donate to support AFG Productions Ltd then please use this Standing Order Mandate.
